

## Air Quality Task Force Meeting

March 3, 2011 – 3 PM

Members Present: Joel Shaffer, Stacie Phillips, Don Jones, Connie Livingston, Tom Noverr, Jim French

Members Absent: Bonnie VanEenaam, Mike Huber, Grace Hill.

Jim French – Welcomes the group back for an update and discussion.

Gary Kalleward – Describes upcoming moves and construction projects that are upcoming. Also covers the steps being taken by PPS, AVB-Triangle, and others to properly prepare for construction activities as outlined by the committee last spring.

Discussion regarding further communication with school community about upcoming construction:

- Maintaining the same processes as were in place before!
- Recommendation to continue as planned without additional communication based upon the successful transitions to the music wing and other spaces over the past school year.
- Construction work during the school day is to be minimal to avoid an impact on instruction!
- Demolition of the first floor west end will be done during Spring Break to minimize noise impacts and dust.

Next Steps:

- Testing during the construction phase – Gary and Tom will discuss further.
- Asset recovery

Meeting adjourned – 3:45 PM.
