

# Huskie Parents *get connected, stay connected...*

Portage Northern Parents (PNP) connects you to administration, staff and the 'parent network'.

Our main purposes include:

- **Funding:** Homecoming, Holiday Dance, BreadLift, Academic Awards, graduation at Miller Auditorium, etc.
- **Manpower:** Coordinate parent volunteers to get the jobs done
- **Communication:** Want to know what's going on around PNHS? We offer a direct link to your principal, counselors, police liaison officer, etc. And if you are an emailer, we offer broadcast eNews – we promise your email address will be completely confidential.

We meet at PNHS on the 2nd Wednesday of each month at 11:30am. Working parents, bring your lunch. For all our info, find us on the PNHS website.

Parent donations are our only source of income. No candy bars, no candles, no magazines – just write a tax-deductible check (we are a 501c3 nonprofit).
