

KAMSC Pi Day Celebration

Saturday, March 17, 2012

$$\pi = 3.14$$

The Kalamazoo Area Mathematics and Science Center (KAMSC) is hosting **Fun Math Activities** for area elementary school students and their families on March 17, 2012. We are looking forward to providing this opportunity for local children.

From 12 noon–2 p.m. on March 17th, KAMSC will be offering fun math activities for elementary school students. Activities will be on the first floor of Old Central High School/Chenery Auditorium (Community Education Center, 714 S. Westnedge), with entrance from the Dutton Street doors.

ALSO: there will be a **Pie Auction Fundraiser** in the newly remodeled atrium of Old Central. All profits go toward the math department at KAMSC to use for student academic enrichment.

We invite you and your family to this event. It will be a fun and exciting way to celebrate math, pies and the end of winter!!!
