Request to Stay Indoors for Recess- We believe that except on rare occasions, if a child is well enough to be in school they are well enough to go outside and enjoy recess. An adult must always be present to supervise a child staying in for recess, which takes away from staff lunch times and office staff duties. Therefore, a note from a physician stating the child is to remain indoors for recess is required for a child to be individually supervised during recess time. Thank you for your understanding and cooperation with this matter.

Dress for the Weather & Label Student Outerwear! Winter weather has arrived and students need to dress for it! Children should be wearing winter jackets, snow pants, boots, hats and gloves or mittens to school. PLEASE WRITE STUDENT NAMES INSIDE COATS, GLOVES AND BOOTS. We have many students with look-alike clothing and a multitude of items that end up in Lost and Found. *Note: If the actual temperature (not predicted) at recess time is below zero or -15 degrees wind chill we will have indoor recess.* Please have children come to school dressed with the anticipation of spending a thirty-minute recess outside.

Severe Weather & Closing School During The Day

When severe weather causes school to be closed during the school day, please remember the following procedures:

- Radio stations are notified first in order to alert parents that school closing is imminent. They also carry news in the evening concerning the following school day.
- If you have access to a computer, school closing information is posted on the Portage Public Schools website at <http://www.portageps.org>. Television stations are another good source of information as they normally scroll school closing information at the bottom of the television screen.
- When school is dismissed early, secondary students are dismissed first so they are home when younger siblings arrive. *Elementary student buses do not arrive at school for a minimum of 1 to 2 hours after the initial school closing has been announced.*
- Students who walk to school may be dismissed before the buses arrive in order to allow them to arrive home prior to conditions worsening.
- **Please DO NOT CALL THE SCHOOL! We are unable to deliver last minute messages at these times of emergency dismissals. PLEASE INSURE YOUR EARLY DISMISSAL /EMERGENCY DISMISSAL FORM IS UP-TO DATE.**
- Please be certain that you review with your child where s/he is to go in case school closes on days when there is a possibility of severe weather.
