CREW NEWS! CREW stands for Caring, Responsible, Excellent Attitude, and Working Together! We celebrate our students’ academic and behavioral achievements each day and every month. Students are recognized by teachers and staff for ways they show *Caring, Responsibility, display an Excellent Attitude, and how they Work Together with teachers and peers.* As a school community we are committed to focusing on the positive words and actions we hear and see every day. We value our students caring about each other, acting with integrity and honor, and working hard at their school work and behavior to be the best they can be. We value these attributes in our staff, families, and our students. Each classroom collects CREW cards and each month, we add all of our CREW cards together and watch the CREW Aquarium fill up! When the CREW aquarium is full, we CELEBRATE TOGETHER! Angling Road School is a high performing school with super children! The Angling Road CREW is amazing!
