CREW NEWS! CREW stands for Caring, Responsible, Excellent Attitude, and Working Together! We celebrate our students' academic and behavioral achievements each day and every month. Students are recognized by teachers and staff for ways they show *Caring, Responsibility, display an Excellent Attitude, and how they Work Together with teachers and peers.* As a school community we are committed to focusing on the positive words and actions we hear and see every day. We value our students caring about each other, acting with integrity and honor, and working hard at their school work and behavior to be the best they can be. We value these attributes in our staff, families, and our students. *Students from every classroom are recognized throughout the day, week, and month for their excellent and positive learner behaviors demonstrated at school. Our students are consistently showing CREW behaviors in every part of their school life. Students receive CREW Cards from staff members when they are "caught" showing exceptional caring, responsibility, excellent attitudes, and how they work together to make our school best it can be. As a school, we are supporting all children with positive behavior support - it is amazing to see that when we look for the positive, we find it! Monthly we randomly choose four CREW cards from each classroom to give special attention to those students by announcing their names in school, taking their pictures for the CREW wall and giving CREW certificates to take home! In addition, one outstanding CREW student from each classroom is chosen monthly for a special lunch treat! Thank you for supporting CREW behaviors at home. Together with you, the Angling Road CREW is working hard to build a strong educational foundation for all kids! Angling Road School is a high performing school with super children! The Angling Road CREW is amazing!*
