

Central EL PTO Newsletter May, 2010

PTO News

Our last PTO meeting will be held on May 18th in the media center.

I just want to say a very sincere "Thank You" to all of the parents that have volunteered in numerous ways this year. I'm very conscience of the challenges that we all faced this year. I have witnessed that amazing spirit that strives to accept these challenges and focus on continued excellence in education and learning for our children. Let's support our staff and work together to continue to foster positive change. Our children will surely reap the benefits!

Linda Deniston, PTO President
