- Students will be trained with proven, age-appropriate techniques that are necessary for kids to protect themselves from attackers.

- This program is set in a fun, yet structured, environment which will give your child a positive outlook on learning a martial art. We focus on healthy attitudes versus perfection!

- Participants will achieve great self confidence and leadership through the physical techniques, mental strategies, drills and exercises they are lead through.

- Instructors hold a ranking of at least 1st Degree Black Belt and maintain a continual (bimonthly)
