Committee Reports:

Danielle Baucom

- Fifth Grade Farewell; requires 36 volunteers to make the event a success. Track & Field will be 6/1/10. Would like to have the Track and Field on the same day as the picnic and the celebration with the slide show, cupcakes and punch. Not sure if the teachers will want it to be like this (they are used to it being on three different days). We think it would be helpful for some committee/board members to sit down with the 5th grade teachers to brainstorm. We may want to change the format of the event.

Shana Brown:

- Chuck E Cheese – 2/11/10 from 3:00 – 9:00. We get 15% of the proceeds. Chuck E is coming on Thursday at 3:00 to the school.
- Yearbook sales promotion has started. The price point is based on selling 200 yearbooks. We have sold 35 to date. Will be sending home fliers and also will be staffing tables at conferences on 2/23 and 2/24 from 5:00 – 8:00. We may have a table at the movie night, 3/5. It will be a

smaller book than in years past. We are still gathering photos from all school events. Danielle Baucom agreed to take candid photos of the 5th graders.

Liz Adams:

- The dinner for this teacher appreciation will be the 23rd at 4:00. She will be contacting her committee for donations, setup and clean up.

Faith Plew:

- Movie night is 3/5. The movie is Cloudy With A Chance of Meatballs. We will be serving a spaghetti dinner. We are gathering raffle prizes. Liz Adams donated a pedicure for the raffle.

Marie Koss Ryan:

- Kindergarten screening dates are set for March 22-24; we are the first school in the district. The information meeting is March 9th in the Activity Room. Numbers are down; we may not need the third screening day. They will ask for more volunteers next month if needed.

Miscellaneous:

- No new business.
