

Math Pathways for the Class of 2014

Questions? Contact Martha Keeler at mkeeler@portageps.org or 323-5303

	Semester 1	Semester 2	
9 th grade	Algebra 1A	Algebra 1B	Every course in this pathway is by teacher recommendation only and is designed for students that struggle with math.
10 th grade	Algebra 1C	Geometry A	
11 th grade	Geometry B	Algebra 2A	
12 th grade	Algebra 2B	Algebra 2C	
9 th grade	Algebra 1	Algebra 1	This option is for students that excel in math and want to take Calculus before they graduate
10 th grade	Geometry	Geometry	
11 th grade	Algebra 2	Algebra 2	
12 th grade	Pre-Calculus or AP Stats or IB Math Studies SL	IB/AP Calculus SL	
9 th grade	Geometry	Geometry	
10 th grade	Algebra 2	Algebra 2	
11 th grade	Pre-Calculus	Pre-Calculus	
12 th grade	IB/AP Calculus SL and/or AP Stats	IB/AP Calculus SL and/or AP Stats	

(students should only start in Geometry if they have taken and passed Algebra 1 in a Michigan Public middle school but if they came from out of state or from a non public school then they have to test out of Algebra 1 first. That test is given during finals week in June and during the week before school starts in the fall)
