PARENT/GUARDIAN OR 18 YEAR-OLD CONSENT OF UNDERSTANDING AND ACCEPTANCE

This application to participate in athletics is voluntary on my part and the information submitted is truthful to the best of my knowledge. I have never received money or negotiable certificates for merchandise in any amount, nor any emblematic award or merchandise worth more than \$25.00 for participating in athletic events, nor have I ever competed under an assumed name. After I have represented my high school in any sport, I will not compete in any outside athletic contest in this sport until after the high school season has been completed.

This Statement of Understanding and Acceptance acknowledges that I/we have read, understand, and agree to follow the Portage Public Schools Athletic Handbook, the Portage Public Schools Student Handbook, Michigan High School Athletic Association policies, as well as guidelines established by the coach throughout the year.

I HEREBY GIVE my consent for the above-named student athlete to participate in interscholastic athletic activities. I realize that there is a risk of being injured that is inherent in all sports. I realize that the risk of injury may be severe, including the risk of fractures, brain injuries, paralysis, or even death.

BE IT KNOWN that I also give my consent for the above-named student to accompany the team as a member on its out-of-town trips. I understand that, on some occasions, coaches will allow athletes to ride with the parent/guardian of other team members to and/or from athletic events in privately-owned cars.

PARENT/GUARDIAN OR 18 YEAR-OLD CONSENT for MEDICAL TREATMENT

I recognize that medical treatment on an emergency basis may be necessary as a result of athletic participation, and further recognize that school personnel may be unable to contact me for my consent for emergency medical care. My signature below attests that I do hereby consent in advance to such emergency care, including hospital care, as may be deemed necessary under the then-existing circumstances and to assume the expenses of such care, and allow all medical information to be released and/or reviewed by Portage Public Schools, and for consent to disclosure to the MHSAA of information otherwise protected by FERPA and HIPAA for the purpose of determining eligibility for interscholastic athletics. I agree not to hold the school district financially liable for any injury received while participating in athletics during the current school year. I fully understand that it is my responsibility to pay, either through insurance coverage or personally, for all medical/surgery expenses related to my child's participation in interscholastic athletics.

I HEREBY acknowledge that the answers to all questions on this form are complete and correct. I accept and agree to abide by the policies and procedures of Portage Public Schools and the Michigan High School Athletic Association.
