

Theft Prevention Tips:

1. Register your iPod with the School Liaison Officer.
2. Keep the iPod (or mp3 player) with you at all times, preferably in an inner pocket of your purse or backpack.
3. If you are involved in extra curricular activities or have to leave the classroom, have a friend or staff member hold on to your iPod for you.
4. Store your iPod in a bulky case (make up bag or plastic container). It will be harder for a potential thief to steal without someone noticing.
5. Take advantage of the iPod engraving service offered through Apple or engrave it yourself. It will make it harder for potential thieves to resell your personalized iPod.
6. If you store your iPod in a locker...**LOCK IT!!!** If you secure it in your car, make sure it is not in a visible place.
7. If you see a suspicious person(s) hanging around a locker room or students' belongings, report the person to staff.

In the event that your iPod is missing or stolen, report it IMMEDIATELY to a Police Officer or Staff Member.
