

This is the new student drop off and pick up at the beginning and end of the day.

The Main Entrance will no longer be the student drop off and pick up at the beginning and end of the day.

The green stripe represents the area where students can be dropped off and picked up. Please pull all the way forward in this green area when dropping off and picking up. **(Do Not Stop Back By The Main Entrance If You Are Able To Pull Forward.)** Once you have dropped your student off you can then pull out into the traffic flow lane.

Vehicles that park in the area by this yellow line need to back out of the parking spot and not drive through. A temporary barricade will be put in place until a more permanent solution can be built.

Please do not use this area to drop off or pick up your high school student.

Do not exit from this location of the parking area. Please follow the one way flow of traffic.

The blue arrows represent the flow of traffic. Students are not to be dropped off in any of the areas where traffic is flowing.
